

Student Survey

Name: Brian Loughran Work: (201) 317-3254 Home: (201) 317-3254

Note: I won't call you unless there is an emergency. In general, I may use your JHU SIS e-mail address or your personal email to communicate with you.

Please indicate the progress of your overall educational plans at Johns Hopkins University:

Your major at JHU Computer Science

Number of courses finished towards your degree (specify) 3

Number of courses that you are taking this semester (specify) 2

What are your reasons for taking this course?

- ☐ Fulfilling the requirement of an MS degree in CS or IS&T
- ☐ Exploring a new career in the computer field
- ☐ Preparing for immediate entry into a career
- ☒ Updating skills for a job currently held
- ☒ For personal interest and self-enrichment
- ☐ Other (specify) _____

Do you work weekdays?

- ☒ Yes ☒ Full-time ☒ Computer related ☐ Not Computer related
- ☐ Part-time ☐ Computer related ☐ Not Computer related
- Company Name: Pratt & Whitney Title: Software Engineer
- ☐ No

What is your undergraduate and/or other graduate degree(s)?

- ☒ College/University/Degree: B.S.
- Location/Degree(s): Lehigh University
- ☒ Major Mechanical Engineering
- ☒ Minor Aerospace Engineering, Business

Experiences on programming language:

- ☐ C ☒ C++ ☐ C# ☒ Java ☐ Objective C ☒ Javascript
- ☐ SQL ☐ PERL ☐ VB.NET ☐ PHP ☐ 4GLs ☐ Ruby ☒ Python
- ☒ Other (specify)

MATLAB, Swift

Experiences on front-end graphical user interface (GUI) development tools

- ☐ VB .NET ☐ ColdFusion ☐ Angular ☐ Other JS Framework ☐ GWT
- ☐ Oracle Developer ☐ PowerBuilder ☐ C/C++ ☒ Java ☐ HTML ☐ Flash
- ☒ Other (specify) wx.python, React

Experiences on database: ☒ None

- ☐ An undergraduate course(s) in database design
- ☐ Work experience in the database design/modeling
- Which database system(s) is used (specify) _____
- ☐ Other (specify) _____

Do you want to explore more information on Oracle DBMS?

- ☐ Yes ☐ No ☒ Don't know

Did you take any online course under the JHU/EP program? ☒ Yes ☐ No

If yes, please let me know if you like the course(s)?

I liked Foundations of Algorithms and Foundations of Software Engineering, but I did not like Foundations of Computer Architecture

Additional Comments:

x indicates a checkmark, so an x where a checkbox used to be would indicate that I have checked that selection. I did not immediately know how to put in check marks. Other than that, I am excited to get started learning more about database systems.
